## THE LOCATION

---

*Located in the heart of  
Nice's most beautiful boulevard,  
between the musicians' district  
and the carré d'or...*

NESPO, open since July 2019, is a table on the very select boulevard Victor Hugo in Nice. A contraction of the patronymic of its owner and creator, Sébastien Nespolo, the NESPO restaurant has been constantly evolving since its opening.

The restaurant is divided into two rooms, each with its own identity: NESPO's veranda, a veritable haven of peace, enables both visiting international customers and regulars to enjoy the sun's rays at lunchtime, out of sight.

The indoor dining room, warmly decorated and surrounded by exposed stonework in a spirit of elegant conviviality, with its attractive illuminated bar and comfortable banquettes, provides relaxed intimacy for every guest.

At nightfall, subdued lighting and candles take over both rooms, adding a hushed ambience.

## THE KITCHEN

---

*Let's get down to the nitty-gritty  
of the establishment,  
namely its cuisine...*

In a spirit of sharing and conviviality, you'll find a menu with a wide choice of starters that can be enjoyed alone or with others, such as zucchini flower fritters, crispy coconut lime shrimps, vitello tonato or our homemade foie gras.

Under no-frills titles, gourmet plates arrive with perfectly mastered recipes. For example, the famous lobster pasta with secret sauce, or the fillet of beef with pepper and homemade French fries

Because what really stands out at NESPO is this clear, efficient approach to working with noble products in complete simplicity.

On the sweet side, you'll discover the famous baba au rhum served with a vanilla crème mi montée, the famous minute cookie or the Sexy Sundae (vanilla ice cream turbinée minute, caramel beurre salé sauce).

As for the bar, our passionate mixologist has concocted a menu of classic cocktails, which you can enjoy at the bar or comfortably at your table.
